News Release

Oracle Applications Users Group Hosts OAUG Apps Forum 2006 - Brussels

ATLANTA, Feb. 2, 2006 – The Oracle Applications Users Group (OAUG), the world’s largest user knowledgebase for Oracle Applications users, today announced it is hosting the *OAUG Apps Forum 2006 — Brussels* at the Sheraton Brussels Hotel and Towers in Brussels, Belgium, on Feb. 16.

This event is designed to provide attendees with an educational forum, new experiences and a better understanding of the family of Oracle Applications for strategic IT managers, executive/senior managers, business and IT developers, DBA and technical support, functional project managers, solutions providers and others.

Attendees will have a wide variety of educational sessions and white paper presentations to participate in. Topics to be discussed include Oracle Fusion, business intelligence, data management and compliance issues associated with Sarbanes-Oxley.

“The OAUG Apps Forum demonstrates the growing international focus of the Oracle Applications community,” said Patricia Dues, president of the OAUG. “This event is a great tool for OAUG members to forge their own links with the growing family of Oracle Applications users throughout the world.”

For more information about OAUG Apps Forum 2006 — Brussels, visit the Web site at <http://www.oaug.org/conferences/2006/appsforum>.

About Oracle Applications Users Group (OAUG®)

The Oracle Applications Users Group (OAUG) is the world’s largest knowledgebase for Oracle® Applications users. Representing more than 2,000 member companies worldwide and more than 25 percent of the Fortune 100, OAUG provides users of Oracle Applications with education, networking, training and support via a wide range of activities including conferences, publications, special interest groups and online communities. The OAUG serves as an advocate to Oracle Corp. on behalf of all Oracle Applications users.
